Boundless

GENRE: free style techno, psy-techno

LABEL: Midwaystation, Ibogatech

WEBSITE OFICIAL: boundlessmusic.live

Exploring the connections between techno and other music styles, Boundless is a multicultural pioneering project whose uniqueness stands out on every track produced.

who? ■

Ivan Pereira, talented portuguese electronic music producer known for his amazing trance projects (Yestermorrow, Atomizers, Anhk, Techyon, Holophonik, Holographic Brain and Existence), brings his knowledge and skills together with his wife,

Barbara Starling, brazilian singer, instrumentalist, composer and videomaker, to draw frequencies, guidelines to imagination, mixing philosophy with music to question the dynamics of our society. Transpose your boundaries, be Boundless.
